Kankakee Chamber Presents Marketing on the Web Panel

Join us **Friday, June 27, 2008 from Noon – 1pm** at the Kankakee Community College in the Iroquois Room for "Weaving a Web of Success: How Local Companies Are Marketing on the Web" – a panel discussion that is third in the Kankakee Forum series. This interactive event will be full of tips to enhance the web presence of local businesses. Join panelists Scott Watson of the *Magruder House Bed and Breakfast*, Allan Smesaert of *Acorn Design Source*, Michael Roof of *WebLaunch Designs* and Steve Bertrand from the *Kankakee Public Library*, and *Bertrand Digital Designs* as they provide practical insight into lessons that can be learned from what local companies are doing on the internet. This interactive forum will include plenty of audience participation and great websites from a variety of local companies.

The Kankakee Forum is a public panel series designed to share success stories from our area and learn what others are doing to improve their communities.

“The whole idea for this event and future events in this series is to build cooperation and learn from other communities,” says Bill Yohnka, Executive Director of the Kankakee Chamber of Commerce.

Boxed lunches will be available for purchase for \$6 at this event. Please RSVP for lunch orders to Jan Gathing at 815.936.3569 by Monday, June 23rd. Admission to this event is free and open to the public. For more information about this event of the Kankakee Chamber of Commerce, contact Bill Yohnka at 815.933.0462 or email him at KankakeeChamber@gmail.com.
