**Kankakee Chamber Presents Comprehensive Downtown Plans**

Join us **Friday, March 14 at Noon** for a forum on the comprehensive plan of downtown Kankakee presented by the Kankakee Chamber of Commerce at the Community Resource Center, located at 150 North Indiana Avenue in Kankakee. We will examine the projects proposed by the Lakota Group and implemented by the City of Kankakee, and discuss plans for possible future projects. The Kankakee Chamber is looking for input from the community on these projects.

The Lakota Group is a design firm located in Chicago that provides services in Planning, Urban Design, Landscape Architecture, and Community Relations. Lakota is widely recognized for both small-scale and large-scale planning and design projects.

This event is the second in the Kankakee Forums series, presented by the newly formed Kankakee Chamber of Commerce. The public forum series is designed to share success stories from our area and learn what others are doing to improve their communities.

Box lunches will be available by Devon's for purchase on site. Admission to this event is free and open to the public, but those who are planning on attending should RSVP to Bill Yohnka at the Kankakee Chamber of Commerce by calling 815.933.0462 or email him at [KankakeeChamber@gmail.com](mailto:KankakeeChamber@gmail.com).
