Farmers Market Announces 2008 Schedule

Kankakee, IL - The Kankakee Farmers Market will open with a special Spring Sale starting April 26 in the market area at Schuyler and Merchant. According to market coordinator Bill Yohnka of the Kankakee Chamber of Commerce, the first four sessions will focus on potted plants and other early blooming varieties that homeowners might want for their own yards.

"There'll be flowers and herbs on sale every Saturday morning from 8 a.m. until noon, from April 26 to May 31," Yohnka said. "Then, we will move into full swing when the market expands with more fruits and vegetables on sale."

The markets this summer will feature some mood-setting live music, along with a growing list of vendors. The market hours will move up to a 7 a.m. start-time when the number of booths increases on May 31. It will continue through October.
